Vivien dining chair in Bordeaux stained ash. H75xW55x D60cm, £1,962, De La Espada.

AMERICAN DREAM

Designer Luca Nichetto has teamed up with Portuguese manufacturer De La Espada, 020 3287 8117, delaespada.com, to create his eponymous brand. The 11-piece collection, designed with the spirit of 1950s American architecture in mind, offers skillfully crafted, unusual pieces that make a strong statement.

DESIGNS ON THE PAST

Featuring beautifully reinterpreted archive prints from the early to mid-20th century, Vintage 2, the latest collection from Sanderson, 0844 543 9500, sanderson-uk.com, is full of cottage-style florals and whimsical pattern. The designs, including Hedera (above), £47m, capture the nuances of block printing, which adds to their charm.

IN THE FRAME

Bring the outside in with these framed fern prints, £265 for a set of eight, Oka, 0844 815 7380, okadirect.com.
