

ASSEMBLY INSTRUCTIONS

SOLO DINING TABLE BY NERI&HU

PARTS

1x Tabletop
2x Leg frames (Oval version)
OR
1x Leg frame (Round version)

Hardware:

(6x) M8x15mm bolt (Oval version)
(3x) M8x15mm bolt (Round version)

YOU WILL NEED

-8mm Allen Key
-Philips head screwdriver
-The help of a friend

NOTES

NOTE 1: Be certain that all assembly is carried out on a flat and stable surface. This will ensure a good final result. Reverse the steps to disassemble the piece.

NOTE 2: Your furniture arrives packed in numerous layers that protect it during transport. It is important that you remove the packaging carefully to avoid damaging your furniture. Refer to our information sheet "Unpacking Your Furniture" for further details.

NOTE 3: Great care is required when assembling our products . Use blankets to soften the assembly surface - hard surfaces such as wood or stone flooring may damage the furniture if in direct contact.

NOTE 4: We advise that assembly and disassembly of De La Espada furniture is undertaken by a minimum of 2 people.

NOTE 5: When screwing in bolts, tighten well, but be sure NOT TO OVERTIGHTEN. This can cause the thread to strip thus resulting in A poor connection.

NOTE 6: While you work, be sure all connections are flush with no gaps.

NOTE 7: After assembly, ensure that the table is resting on a level surface.

INSTRUCTIONS

1. REMOVE MDF PANEL FROM LEG FRAMES

a) Using a Philips head screwdriver, remove the MDF panel from the leg frames. This panel is used to protect the legs in transport only.

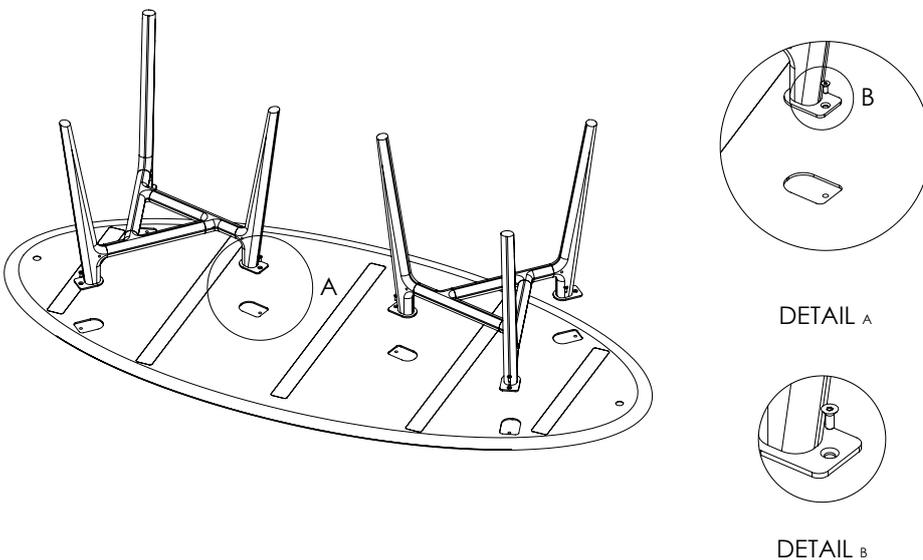

2. ATTACH THE LEGS TO THE TABLETOP

a) Place the tabletop upside down a clean, soft surface such as blanket or carpet on the floor.

b) Match the numbers on the leg frames with the number markings on the tabletop.

c) Insert the connection plates on the leg frames into the rebates on the underside of the tabletop.

d) Insert the M8 bolts and tighten with an Allen key. Tighten firmly but be sure not to overtighten

3. TURN THE TABLE INTO AN UPRIGHT POSITION

With the help of a friend, carefully turn the table over into an upright position, taking care not to place any weight/force on the table legs while turning.

The table is now ready for use.
