

ASSEMBLY INSTRUCTIONS

109Q MITCH CABINET BY NICHETTO

PARTS

- 1x Cabinet body
- 2x Sliding doors
- 2x Loose storage boxes

YOU WILL NEED

The help of a friend

NOTES

NOTE 1: Be certain that all assembly is carried out on a flat and stable surface. This will ensure a good final result. Reverse the steps to disassemble the piece.

NOTE 2: Your furniture arrives packed in numerous layers that protect it during transport. It is important that you remove the packaging carefully to avoid damaging your furniture. Refer to our information sheet "Unpacking Your Furniture" for further details.

NOTE 3: Great care is required when assembling our products as they can mark very easily if banged or dropped. Use blankets to soften the assembly surface - hard surfaces such as wood or stone flooring may damage the furniture if in direct contact.

NOTE 4: We advise that assembly and disassembly of De La Espada furniture is undertaken by a minimum of 2 people.

109Q MITCH CABINET

INSTRUCTIONS

1) ATTACH SLIDING DOORS TO CABINET BODY

a) Unpack the cabinet body and place it in its natural upright position.

b) Attach one sliding door to each side of the cabinet using the following procedure. First, holding the door at an angle, place the top lip of the door into the rebate in the top panel of the cabinet. While pushing the door upward into the rebate, swing the bottom of the door so it is in line with the bottom rebate then pull down so it slots into the bottom rebate. The door should now slide freely.
