

PAINTED HDF OPTIONS

Select products are available in painted HDF. All painted HDF products are available in all of the colours below, and in a choice of a gloss or satin matte finish unless otherwise indicated in our media.

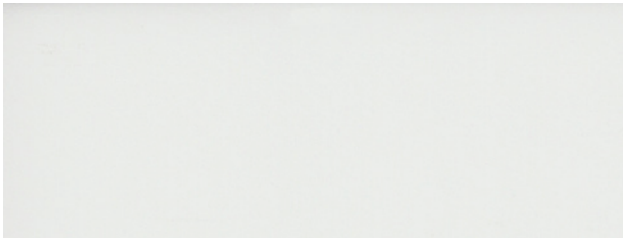

HDF fibreboard is engineered for outstanding strength and durability. Our satin matte painted finish is applied evenly to the surface. Our gloss painted HDF consists of an even application of paint followed by a clear lacquer.

Bone
NCS S1005-Y20R

Ochre
NCS S 4040-Y20R

White
RAL 9016

Bordeaux
NCS S6030-R10B
