050 ELLIOT DINING CHAIR

Jason Miller's furniture for De La Espada is inspired by the housing trend currently prevalent in Brooklyn, where 100-year-old brownstones, originally built as single family homes then converted into apartment buildings, are being converted back into single family homes. Many of these buildings still retain original details such as ornate fireplaces, moldings and woodwork, but are in need of renovations, creating an interesting juxtaposition of old and new design. Jason Miller's product line captures this juxtaposition of time, purpose, and aesthetics.
