**MATERIAL OPTIONS**

**397 BRETTON BEDSIDE**

Bretton Bedside is named after the town in West Yorkshire, England, a county that inspires Matthew Hilton, with its rugged landscape and history of producing modernist sculptors. The bedside features meticulous detailing including joinery Hilton devised for the CNC machine, and a beautiful combination of materials.

**SIZE**

W52 x D37 x H47.5 cm, internal: W46 x D25 x H16 cm

W20 2/5 x D14 1/2 x H18 3/4 ", internal: W18 1/8 x D9 4/5 x H6 1/3 "

**SPECIFICATION**

Available in American black walnut, American white oak, or European Ash in a range of finishes. Legs in taupe or black anodised aluminium. Click on 'Materials' in the left hand menu for further information.

NOTE: The Bretton legs are made from gravity die-cast aluminium and contain small defects that are inherent to the artisanal manufacturing process. These tend to be imperceptible once installed, and do not affect the overall appearance of the product.
