MATERIAL OPTIONS**766MA FRAME MEDIUM SOFA**

The Frame series explores the architectural concept of tectonics, celebrating the art of construction. It was developed with the objective to create a single frame that could serve all the needs of the product such as a base, legs, decorative feature, and even practical support for accessories including trays. Made from solid wood, the frame's appearance reveals clearly how it is constructed through the visible joinery details.

SIZE

766MA Frame Medium Sofa with Arms
 W238 × D91 × H74.5 cm, seat height 44.5cm, arm height 72.5 cm
 W93 3/4" × D35 4/5 × H29 1/3 ", seat height 17 1/2 ", arm height 28 1/2 "
