MATERIAL OPTIONS

788 SOFA EIGHT

Sofa Eight is a continuation of Neri&Hu's exploration of an expressive tectonic language. The main supporting element of the sofa is a traditional wood joinery assemblage of stacking members in the X, Y, and Z-axes, pinned together to form a structural base. The cushioned seating utilises memory foam for comfort while maintaining clean, firm lines. Playing with the notion of modularity, variations on the structure allow for add-ons, such as a side table.

SIZE

788MA

W234 \times D86 \times H72 cm, seat height 45cm W92 1/8 \times D34 \times H28 1/3 ", seat height 17 3/4"
