

**MATERIAL OPTIONS**

**122 BELLE REEVE SOFA SYSTEM**

Belle Reeve is a sofa system by Luca Nichetto with seemingly endless possibilities. The sofa has a deep, low body with brass or stainless steel feet, and a choice of solid wood lattice panels or upholstered panels on the backrests. Different arm and table options combine with the seat modules to break the symmetry of this versatile sofa, allowing for personalised configurations.

**SIZE**

Numerous possible sizes and configurations. As shown:
