**SPECIFICATION**

Available in American black walnut, American white oak, or European Ash in a range of finishes, and a range of fabrics. Click on 'Materials' in the left hand menu for further information. Platform base is an advanced, black dyed wood composite with an oil and wax finish. This panel has holes for air circulation. NOTE: The platform surface is smooth, thus a small amount of mattress movement may occur, though in most cases the weight of the mattress will hold it in place
