

MATERIAL OPTIONS

359 KIMBLE WINDSOR CHAIR

Kimble is a Windsor chair named after a neighbouring village of High Wycome in Buckinghamshire, where the Windsor chair originated. The chair uses traditional Windsor chair making techniques in order to further the story, the evolution of the English Windsor chair. The contrast of the black walnut seat on this otherwise ash chair, attractively highlights the wedge tenon detail where the leg intersects with the top of the seat.

SIZE

W65 × D67 × H108 cm, seat height 45 cm, arm height 72 cm
W25 3/5 × D26 3/8 × H42 1/2 ", seat height 17 5/7 ", arm height 28 1/3 "
