**385 MARY'S SIDE TABLE**

Mary's side table, crafted in solid hardwood with a marble top, is substantial yet delicate, sculptural yet highly functional. It was inspired by a visit to the Cathedral of St. Mary of the Assumption in San Francisco. Matthew Hilton was moved by the oppressive weight of the concrete structure and the release of the swooping, expansive space within. Mary's side table captures this paradox of weight and weightlessness.

**SIZE**

W54 × D46.5 × H50 cm  
W21 1/4 × D18 1/3 × H19 2/3 "
