

**MATERIAL OPTIONS****750 SOLO DINING CHAIR**

Inspired by the Eames Shell Chair, the Solo Chair is an updated version that transforms the early industrial look of the Eames iconic chair into a sophisticated, comfortable chair that is suitable both in domestic and commercial settings. Solo chair has an upholstered shell that hugs the sitting body to create a microcosmic universe for the person, becoming an object of shelter and refuge, where the person can be "solo" and undisturbed while being hugged in this position. Designed by neri&hu and manufactured by De La Espada for the neri&hu brand.
