

MATERIAL OPTIONS

373L TALL MAIA

Tall Maia is an object of non-specified use that can be used as a side table, stool or step. Tall Maia is made from solid wood and features complex joinery created by CNC technology. The product reflects Matthew Hilton's love of craft - both technological and traditional. Tall Maia features larger overall proportions than the original Maia.

SIZE

W45 × D37 × H43 cm
W17 5/7 × D14 4/7 × H16 7/8 "
